MOMO HOUSE

MOMOSTE!

Good times & tasty food!

Momoste!*

Welcome to 8848 Momo House, where warm Nepali hospitality awaits you. As the founder, I would like to personally welcome you. When my feet first touched Aussie soil twenty years ago, I was a wide-eyed overseas student, bursting with possibilities and desperately missing home food. Most of all, I missed my beloved momos!

Momos are the epitome of Nepalese comfort food, the most unifying delicacy of my nation because everybody eats them. Warm, soft and tasty, they're like little parcels of love from home. Sadly, I couldn't find good momos here, and making them from scratch involves a lot of ingredients, time and prep. I knew the only way I was going to satisfy my cravings was to build a business that would delight Nepalese ex-pats and introduce momos to the food-loving Aussie public.

Here at 8848 Momo House, we take pride in preparing the juiciest, yummiest momos, using only the choicest meats, vegetables and spices. It's my greatest hope that you enjoy experiencing our momos, as well as our other mouth-watering signature dishes and fusion specialities. Our aim is to consistently provide quality food, excellent value and warm, friendly service and we guarantee complete satisfaction.

If you are not 100% satisfied, I want you to write to me at hom@8848momohouse.com.au and I promise to make it up to you. After all, I want you coming back again and again for good times and mo', mo', mo' momos!

Warmly yours

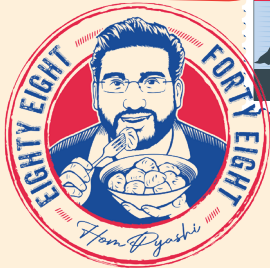

Hom Pyashi
Founder, 8848 Momo House

*'MOMOSTE'

is our tongue-in-cheek spin on 'Namaste', a well-known, respectful greeting on the Indian subcontinent. Expect to hear it a lot around our house.

Please alert your server if you have any allergies. We do not assume liability for adverse reactions to foods consumed at 8848 Momo House. Our food may contain or come in contact with WHEAT, EGGS, PEANUTS, TREE NUTS and MILK.

Food images are for illustration purpose only and may be different to actual food being served.

Food may be served out of turn and not in sequence. It can take longer subject to food ordered and production load in the kitchen and the ease of kitchen/service flow. Your patience is appreciated.

How'd we get our name?

Eighty-eight-forty-eight ... that's how high Mt Everest is in metres! It's the tallest mountain in the world. We just can't help but be inspired by the lofty dreams of the 5,000-plus people who've dared to race to the top of 'Holy Mother', some more than once!

At 8848 Momo House, we dream of elevating momos to the highest heights of culinary acceptance in Australia. Just as butter chicken is to Indians and pizza is to Italians, momos are THE iconic food item of Nepal.

Come to our house for a feast and good times!
